ONTIMEPARTS.COM

Online storefront allows users to easily identify and order spare parts to support existing material handling systems.

Honeywell Intelligrated's OnTimeParts.com is the material handling industry's most comprehensive parts web store. A one-stop shop for genuine replacement Honeywell Intelligrated and commodity parts, the improved, easy-to-navigate website features a catalog of over 110,000 parts.

An improved user interface includes many intuitive functionalities aimed at simplifying the parts shopping experience. Improved search capabilities and parts descriptions, access to up-to-date inventory levels, Parts by Equipment identification assistance, order and invoice history, the abilities to save and share shopping carts, as well as a streamlined checkout process are all enhancements that make shopping OnTimeParts.com an informative and time-saving experience. If additional assistance is needed, Honeywell Intelligrated's parts hotline is staffed from 8 a.m. - 8 p.m. ET, Monday through Friday, by knowledgeable parts specialists and features 24X7 emergency service.

Featuring same-day shipping of in-stock items (if ordered before 2 p.m. ET), OnTimeParts.com includes a wide range of genuine replacement parts for Honeywell Intelligrated's reputable legacy OEM brands, such as Alvey®, Buschman®, Cleco®, Crisplant®, Davco™, FKILogistex®, Honeywell Intelligrated, Mathews®, Real Time Solutions®, Stearns® and Versa™. In addition, customers can purchase parts directly from Honeywell for their IGS equipment. Honeywell Intelligrated also leverages its buying power to pass savings on to our customers for commodity and MRO replacement parts from brands like Baldor®, Cutler-Hammer®, Gates®, Hitachi®, Habasit®, Itoh Denki®, SICK® and many more. Clients benefit from working with Honeywell Intelligrated for their commodity parts needs because, as the OEM, Honeywell Intelligrated identifies abnormal parts usage and upstream/downstream root cause analysis for part failure, assists with part obsolescence, and provides technical support if needed.

To request an account, please visit **www.OnTimeParts.com** and click "Register" to begin the registration process. For questions or assistance, please call 877.315.3400 and choose Option #2 for the Parts Department or **email IGSparts@honeywell.com**.

Honeywell Intelligrated®
